

Celebrating our past, providing hope for the future.

For 30 years, the Lexington Medical Center Foundation has worked to inspire hope and contribute to the health and well-being of people in the Midlands. As a non-profit 501(c)(3) organization, the Foundation offers a variety of hospital-based and community programs to support Lexington Medical Center's mission of providing quality health services that meet the needs of its community.

The Foundation works to support this vision by finding opportunities to enhance the wellness, peace of mind and dignity of patients and those in the community. With your support, the Foundation can celebrate its past while providing hope for the future.

The HOPE Campaign helps the Lexington Medical Center Foundation provide vital resources, services and programs for our patients, fellow employees and the community!

2023 EMPLOYEE GIVING
CAMPAIGN

The Foundation provides programs, services and resources in these six main areas:

EMPLOYEE CARE

The Foundation ensures hospital employees are taken care of emotionally, mentally and financially during times of hardship.

- Counseling through Post Trauma Resources
- Emergency Care Fund for qualifying crisis events
- Serenity Coves for stress relief

CARDIAC CARE

Our Cardiac Care programs eliminate barriers between heart patients and a full recovery through care items, educational tools and smoking cessation programs.

- COPD Toolkits
- Home Blood Pressure Monitoring
- SVICU Post-Surgical Pillows

CANCER CARE

Our Cancer Care programs help patients focus on their treatment and survivorship by assisting with non-medical emergency needs and key support services.

- Support groups and wellness programs
- Wigs, mastectomy bras and post-surgical kits
- Cancer care bags for infusion and radiation treatments

MOTHER/BABY CARE

Our Mother/Baby programs help ensure the highest quality health services and resources are available to new mothers and their babies.

- Infant Cardiopulmonary Resuscitation Kits
- Perinatal Loss Support
- Doula Services

PATIENT CARE

Our Patient Care programs help enhance hospital services throughout LMC's network and are often the result of employee-submitted internal grants.

- Exercise Program for Patients with Cancer or Chronic Illnesses
- Hospital-to-Home Care for high-risk patients following discharge from hospital
- Baby doll therapy for patients suffering from dementia or Alzheimer's disease
- Diabetes Education

COMMUNITY CARE

Our Community Care programs provide support for the community when and where it is needed most. Through key programs the

Lexington Medical Center Foundation also works to grow the medical field and make health care education more accessible to members of the community.

- Nursing and Allied Health Scholarships
- Partners Program
- Pastoral Care
