

EMPLOYEE CARE

For more than 20 years, the Lexington Medical Center Foundation's Emergency Care Fund has supported employees facing financial hardships due to an unexpected crisis event in their lives.

Qualifying Events:

- **SIGNIFICANT DAMAGE TO PRIMARY DWELLING** ●

Including, but not limited to, a house fire or damages resulting from a natural disaster.

- **VICTIM OF DOMESTIC ABUSE OR CRIME** ●

With a police report to document the event.

- **TRAVEL EXPENSES FOR FAMILY FUNERAL** ●

When excessive travel expenses would otherwise prevent attendance for family* member's funeral service.

**Family as defined in the LMC Bereavement Policy.*

- **CATASTROPHIC OR LIFE-THREATENING MEDICAL EVENT** ●

For the employee and/or the employee's spouse or child which results in financial burden. With documentation of the medical event, assistance is available for ancillary non-medical and household expenses. (Excludes scheduled, elective surgeries.)

Non-Qualifying Events:

Events that do not qualify for assistance are those not resulting directly from incidence of one of the four events above (ex. utilities, rent, tires, phone bill, etc.).
